Moody Younger serves as co-managing partner for Younger Partners where he is responsible for the overall performance of the company. In 2012, Moody and Kathy Permenter co-founded Younger Partners, which has grown from its original partners into a full-service commercial real estate firm providing investment, leasing and management services to clients in North Texas. Younger Partners currently employs over 100 professionals.

Moody's experience spans more than three decades in senior management positions with Grubb & Ellis, CBRE, Trammell Crow Company, JLL and Transwestern Commercial Services. He has completed over 1,400 leases representing more than 8.1 million square feet.

Moody holds an MBA from Southern Methodist University, a bachelor's from Texas Tech University and a Texas Real Estate Broker license. He is also active in many professional organizations including TREC, ULI, NTCAR and ICSC.
